Dengue cases in Uttarakhand have crossed the 500-mark with Dehradun reporting the highest number of cases. However, there has not been a single death in the state this year, health secretary R Rajesh Kumar said. Between January 1 and now, Dehradun has reported 279 dengue cases, Haridwar 123, Pauri 69, Tehri 22 and Nainital 8, he said. All districts have been asked to take preventive measures and a report is being taken from the Chief Medical Officers on a daily basis, the official said. All districts have been asked to take preventive measures and a report is being taken from the Chief Medical Officers on daily basis, the official said. Fogging and spraying of pesticides have also been intensified , he added. Kumar had said that all chief medical officers have been instructed to prevent dengue cases in the state. He said if the cases of dengue increase in any district, then the CMO will be directly responsible. Kumar had said, "The cases of dengue have been reported in Dehradun, Pauri and Haridwar districts of the state but now the situation is under control. So far, 300 cases of dengue have been reported in the state. " The official said in view of dengue, all the schools in the state have been instructed to allow the children to enter the school only after wearing full sleeved shirts. GOVERNMENT PLANS GREEN CESS FOR PRIVATE VEHICLES ENTERING UTTARAKHAND

Private vehicles entering Uttarakhand may soon have to pay a green cess, the state transport minister Chandan Ramdas said on Tuesday. The money collected will be used to improve road safety, he said. Officials of the transport department have been asked to prepare a proposal to levy the cess on vehicles entering from outside the state. "The proposal will then be submitted to the cabinet," Ramdas said. The amount of the levy is yet to be decided, he added. Uttarakhand collects entry tax from commercial vehicles coming from outside, but the green cess will be charged from both commercial and private vehicles, he said. There are over 2.8 million vehicles registered in the state. Lakhs of vehicles enter the state every year as Uttarakhand sees heavy influx of both pilgrims and tourists. This year so far, over 3.5 million pilgrims have visited Char Dham and Hemkund Sahib shrines.
