DEHRADUN RANKS 69TH IN SWACHH SURVEKSHAN'22

Last year city was at 82nd position. Dehradun has secured 69th rank in Swachh Survekshan, according to the report released on Saturday by the ministry of housing and urban affairs. Last year, the city had secured the 82nd position. Indore has bagged the first position for the sixth time in a row and was followed by Surat and Navi Mumbai in this year's rankings. Dehradun scored 4,524 marks out of 7,500, making it the number one city in terms of cleanliness in Uttarakhand. "We have secured the 69th position in the national ranking, which is an improvement as compared to last year. Major improvements have been seen in waste management in the city and cleanliness of the river bodies here. We have learnt from past mistakes and will improve these rankings further in coming editions," said Dr Avinash Khanna, chief health officer, Dehradun Municipal Corporation. Meanwhile, out of 18 states and union territories with less than 100 urban local, Uttarakhand has secured the third rank. "This is the first time that state reached the top three. In addition, Haridwar has been awarded first prize in the category of cleanest Ganga towns and four other municipal bodies (Landour cantt, Doiwala, Narendra Nagar and Ramnagar) have been awarded under the Swachh Bharat mission category. All six awards have been a first for the state," said urban development minister Prem Chandra Aggarwal.

PORTALS OF KEDARNATH TO CLOSE ON OCT 27, BADRINATH ON NOV 19: BKTC

The Badrinath Kedarnath Committee (BKTC) on Wednesday released the closure date of Char Dham shrines and Hemkunt Sahib on the auspicious occasion of Dussehra festival. GUEST HOUSES & HOTELS ON ADMIN RADAR IN DEHRADUN

In the light of the state government taking action against resorts in Uttarakhand, the Dehradun administration has started a crackdown on guest houses and resorts here, with some sealed and others penalized for violations. "We have identified a few establishments that are running without proper permissions or are violating norms. Action will be taken against them in the next few days," said SDM SK Baranwal. Officials said that the police, MDDA and the forest department have all been roped in for the drive, which began from Vikas Nagar on Thursday. The action came following the murder of 19-year-old Ankita Bhandari at a Rishikesh resort. The chief minister had instructed authorities to take against any illegal centres. The drive started from the Vikasnagar area on September 28 and will continue in other parts of Dehradun in the coming days. Action was taken against 12 such establishments in Vikasnagar on Thursday. While one hotel was completely sealed, another was sealed partially, and 10 others were penalised.

SMALL TOWNSHIPS TO COME UP IN UTTARAKHAND

The housing and development council has decided to come up with small townships in the Himalayan state, for which, the council has invited applications from the private developments. These townships would have facilities like school, college and hospitals. Besides, they would also have lanes for pedestrians and cyclists. ACS (Urban Development) Anand Bardhan said, "A task force has been formed to go through the applications. Experts will tell us about the land and area which is suitable. Following which, our teams will conduct a feasibility study and prepare a master plan. The project is still in the initial phase but we are confident of making it a success."

U'KHAND TO COME UP WITH CORBETT HERITAGE TRAIL, SAYS CM

Chief minister Pushkar Singh Dhama announced on Saturday that Uttarakhand will come up with a Corbett Heritage Trail. The motive behind the trail is to utilize the history and natural landscape of the state for generating livelihood and boosting conservation efforts via ecotourism. "Champawat, Rudraprayag, Nainital and Almora, these districts are connected with hunter-turned-conservationist Jim Corbett. We will generate employment via this project. Till now tiger trails were confined to Nainital. Through these trails, people will be able to explore the other areas of Uttarakhand, with which Corbett was associated," said chief wildlife warden Sameer Sinha.
