PM MODI PUBLIC MEETING AT DEHRADUN'S PARADE GROUND

Prime Minister Narendra Modi will inaugurate and lay foundation stone of multiple projects worth around Rs18,000crore during his visit to Dehradun on December 4. The Eleven development projects for which the Prime Minister will lay the foundation stone includes the Delhi-Dehradun Economic Corridor(from Eastern Peripheral Junction to Dehradun) which will be built at a cost of around Rs8,300 crore. It will significantly reduce the travel time from Delhi to Dehradun from six hours to around 2.5 hours. It will have seven major interchanges for connectivity to Haridwar, Muzzafarnagar, Shamli, Yamunanagar, Baghpat, Meerut and Baraut. It will have Asia's largest wildlife elevated corridor(12km) for unrestricted wildlife movement, said the statement issued by the Central government. The 340 metre long tunnel near Dat Kaali temple, Dehradun will help reduce impact on wildlife. The Greenfield alignment project from Delhi-Dehradun Economic Corridor, connecting Halgoa, Saharanpur to Bhadrabad, Haridwar will be constructed at a cost of over Rs2000 crore. It will provide seamless connectivity and reduce travel time from Delhi to Haridwar as well. The Dehradun-Paonta Sahib (Himachal Pradesh) road project, to be constructed at cost of around Rs1700 crore, will reduce travel time and provide seamless connectivity between the two places. Modi will also lay the foundation stone for the Child Friendly City Project, Dehradun, to make the city child friendly by making the roads safer for their travel.
